3 – Under ECO mode

Standard Accessory

Tripod

- Part Number: MR.JQ411.001
- EAN Code: 4713883409636

Light weight

Ultra-light

Sometimes, we just need to pick up and go at a moment's notice. This lightweight projector lets you do just that. At just 265g and 118x121x26 mm, the C101i is not much bigger than your passport. Pack up the projector and get where you're needed.

Wireless Projection

Wireless Projection

Break free from the clutter of wires with easy wireless projection. With built-in wireless function, you can connect your Android⁴ or iOS⁵ device and projector in wireless signal. Use your device to view content in a multitude of ways by EZCast⁶ app, such as video viewer, document reader or through mirroring.

4- Android device that supports Miracast 5 -iOS 10

6 -Download EZCast APP from Google Play or Apple store

Up to 2-hour battery life

Embedded Battery

Take your C101i anywhere, anytime without being limited by power supply location. Enjoy full-length films without recharging with 2 hours³ of renewable battery life. It can also work as power bank while your smart device urgently needs charging.

HDMI HIGH DEFINITION MULTIMEDIA INTERFACE

HDMI Output

Thanks to the inclusion of HDMI-output port, C101i can be operated as a TV box. Simply connect C101i and TV via HDMI cable, your TV will then be transformed into a smart TV. Now you have another display options with this magic little box.

About Acer

Founded in 1976, today Acer is one of the world's top ICT companies and has a presence in over 160 countries. As Acer looks into the future, it is focused on enabling a world where hardware, software and services will infuse with one another to open up new possibilities for consumers and businesses alike. From service-oriented technologies to the Internet of Things to gaming and virtual reality, Acer's 7,000+ employees are dedicated to the research, design, marketing, sale, and support of products and solutions that break barriers between people and technology.
