

EH-TW5600

DATASHEET

Make the most of your movies with this easy to set up, Full HD, home cinema projector with lens shift.

Creating the big screen experience is easier and more affordable than ever before with this Full HD 3D and 2D projector. Set up is effortless with lens shift, keystone correction and 1.6x manual zoom. Get the whole package: images are bright with 2,500 lumens, 3LCD technology delivers vivid colours, and the dynamic contrast ratio of 35,000:1 reveals detailed shadows.

Make every moment count

Whether you're catching sports, watching a classic movie or playing a game, with Epson's Full HD home cinema projector you can create the big screen experience with images reaching up to 300 inches (762cm). It can handle the most atmospheric scenes with clearly defined shadow detail and deep blacks, while also remaining clear, sharp and smooth during the fastest, high-action scenes with Detail Enhancement and frame interpolation.

Simple set up

Here's the solution for a stress-free set up: the slim and lightweight EH-TW5600 is easy to move, plus the vertical lens shift, 1.6x zoom and keystone correction ensure it's fuss free to position the picture. Accessing your entertainment is easy too with two HDMI inputs (including one MHL) for connecting DVD players, games consoles and more.

11 years of entertainment¹

Looking for a long-term, hassle-free and affordable solution for your entertainment needs? With the EH-TW5600, you could watch a film every day for 11 years thanks to the long-lasting lamp light source¹.

Experience vivid and lifelike images

There's a reason why Epson's 3LCD technology has become so renowned; it radiates exceptionally bright yet colourful images by producing an equally high White and Colour Light Output. Even in bright living rooms, this powerful yet affordable Full HD 1080p projector delivers 2,500 lumens and a 35,000:1 contrast ratio.
